Dear Valued Customer,

Today Cohu announced the completion of the acquisition of Xcerra to create a larger, financially stronger company with combined revenues greater than \$800 million.

As Xcerra joins Cohu, we become a leading company in the semiconductor supply chain, focused on test and handling equipment, thermal subsystems, test contacting, vision inspection and MEMS test solutions. Cohu's goal is to continue to be your partner of choice going forward and ensure the best product and services are provided.

Kita does not expect any impact on the day-to day operations and continues to operate under same organization.

We will maintain all customer sales, service and support relationship to provide our main product of spring pin for pursuing quality, cost, and delivery time to contribute value

Thank you again for your continued support.

Best Regards,

Tomohiko Kita
General Manager
